Jean Monnet 2021-2027: award criteria

Note: Each of the award criteria has a max of 25 bodies. To be considered for funding, the proposal must score at least 70 bodies, min 15 bodies in each criteria.

Expected impact of Jean Monnet teaching and research activities

Quantitative indicators

- Number of Higher Education institutions enhancing the European Union dimension of the disciplines they cover.
- Number of European Union topics introduced in the teaching and research of Faculties/Departments where the EU angle is not usually developed - beyond the subjects typically known for their EU association.
- Number of students reached by the Jean Monnet actions.
- Number of new Chair Holders.
- Number of publications on EU-related topics.
- Number of policy papers to support policy makers on EU-related topics.
- Number of Jean Monnet projects in third countries not associated to the programme
- Extent to which fora and platforms aiming at improving the cooperation and dialogue between the academic and non- academic world are in place.
- Increased opportunities for young researchers to enhance their professional competences and boost their career.

Qualitative indicators

- Increased knowledge on European policies.
- Extent to which Higher Education Institutions engage with the wider society and the non –academic world, on EU topics.
- Increased awareness on EU-related issues in the non-academic world.
- Improved dissemination of Jean Monnet projects results across society, including policy makers.
